

Vol. I, No. 3. Published as needed by AA Intergroup of Western North Carolina, 12 1/2 Wall St., Asheville, NC. Phone (704)-254-8539}}

AREA MEETING: Area 8 Meeting set Sunday, Mar. 10, in Sylva at St. John's Church. Covered Dish. Speaker is Lewis G. of Asheville. (Area 7 will skip its monthly meeting on the first Sunday due to GSR Assembly).

INTERGROUP MEETING: Intergroup (or GSR) representatives from groups in Area 7 & 8 will hold the monthly meeting at 6 p.m. Sunday, Mar. 10, 12 1/2 Wall St., Asheville.

WE ALL HAVE PROBLEMS: For close readers of the Newsletter, we know there was no number 2 issue. But it was preceded by a pair of number ones in November and December. Two and one makes three, even for ex-drunks. Chalk it up to the editor's preoccupation with the upcoming holidays. Hopefully the Newsletter will be issued the latter portion of the month with at least one copy to each group plus a copy to all who have made individual donations to Intergroup of Western North Carolina.

SUPPORT: Group support of Intergroup activity has been good and individual memberships are growing slowly. However, it appears that too much load is being placed on too few. Can you help. Enclosed is listing of individual and group memberships to date.

OFFICE HOURS: Zoe W. will be at Intergroup Office, 12 1/2 Wall Street, Asheville, between 9 a.m. and 12 noon each week days to receive messages, follow up on answering service calls, and provide continuity. She also can line up speakers so make your requests.

TWELFTH STEP: New telephone list for 12th Step calls has been mailed out. If you have corrections, additions or deletions, call or write Zoe. Remember when anyone anywhere reaches out for help, we want the hand of AA to be there. For this, we all are responsible.

MEETING LIST: At long last, a composite list of meetings in WNC has been compiled. With a little luck, an early copy will be enclosed with this. More are being printed.

PARTING SHOT: Liquor, they say, kills more people than bullets. But then bullets don't drink.

Easy Does It
