OUR DEEPEST THANKS FOR Bob J.'s service and inspiration in helping guide Intergroup of WNC through its formative year. Without his inspiration, faith and devotion, plus plenty of hours of plain hard work, it would never have come to pass. Bob will continue to serve as Intergroup Representative from Serenity Service.

A NEW HOME? As soon as financially practical, Intergroup Council will seek a new and permanent central office location in keeping with GSO guidelines recommending that any Intergroup have a separate location from groups.

OUR THANKS to the contributions which came in last Sunday to assist with financial obligations. Remember the bills go on so help where you can, either as a group or individually or both.
