## DISTRICT SEVEN MEETING SUNDAY

A district Seven meeting will be held at 1:30 p.m., Sunday, March 7, at Trinity Episcopal Church in Asheville.

The speaker will be Tom D., of Chapel Hill. Tom is state public information chairman for the fellowship and an interesting and thought-provoking speaker.

The eating will start at 1:30 p.m. and the meeting will start at 2:30 p.m.

There will be the usual diet-defying raft of good things to eat. Everyone is urged to attend and bring along a covered dish.

Hosts for the even will be the Traditional group of the church.

## SOUTH CAROLINA MEETING

The 29th annual South Carolina convention will be held April 29, 30 and May 1 and 2 in Spartanburg. Headquarters will be at the Sheraton on I-85.

THEY CALL IT, 'THE BIG ONE'

The 32nd annual Southeastern meeting of the fellowship will be held Aug. 11 - 15 in the Deauville Hotel in Miami Beach.

It will be combined with the 20th annual Florida state convention.

Three solid days of speakers, films, workshops and lectures are scheduled. Also being arranged are tours and some sightseeing. The invitation is open to AAs, AL-ANONS and ALATEENS.

Reduced room rates at Miami Beach hotels are being arranged, too. Sounds like a great opportunity to see Miami Beach sober and get some good AA, too.

THINK ABOUT IT .....

Abraham Lincoln is supposed to have said, "The greatest thing about the future is that it only comes one day at a time."

If he didn't say it, maybe he should have.

#### HERE'S ONE FOR SMILEY

Members of the fellowship from all over Western North Carolina and several contiguous states will gather in Hendersonville Saturday, March 6, to help Smiley M. celebrate his 30th year on the straight and level.

The meeting will be held at St. James Episcopal Church at 8 p.m. (This is the regular Saturday night meeting of the Hendersonville group usually held in the Nuckles Building. It was moved because a large, large attendance is expected.)

St. James Episcopal Church is on the north end of Main Street in Hendersonville. You can't miss it.

This is an opportunity for many members to salute a man who has been one of the mainstays of the fellowship in this area for three decades.

#### INTERGROUP MEETING SLATED

The next meeting of the Intergroup Council will be held Sunday, March 21, at 3 p.m. in the Intergroup office in the Parkway Office Building.

Be sure your group is represented, and come yourself if you have the time.
