CONDOLENCES TO.....

Frankie S and family in the death of Fred.  
We have lost a friend who truly practiced the  
A.A. principles in all his affairs. We somehow  
feel that the following was Fred's secret.

## THE SECRET

I met God in the morning  
When my day was at its best,  
And His Presence came like sunrise;  
Like a Glory in my breast

All day long the Presence lingered,  
All day long He stayed with me,  
And we sailed in perfect calmness  
O'er a very troubled sea.  
So I think I know the secret,  
Learned from many a troubled way:  
You must seek Him in the morning  
If you want Him through the day.
