## DCM'S CORNER

Tradition One: Our common welfare should come first; personal recovery depends on AA unity.

As we enter a new year it is my hope to see a more united and informed district. A district with an active GSR for every group so that the conscience of that group is carried to our district meetings and from there to the area committee meetings. At our last business meeting/workshop in December, twelve of our twenty groups were represented and that certainly is encouraging, however, there are groups that never send a GSR (their trusted servant) to any meetings and never reply to correspondence inquiring as to who that GSR is, so that group may be kept informed. Won't your group try this year to change what it can change by sending your GSR to local and area meetings?

It is also my hope that all groups join in "the challenge to the Seventh Tradition" by contributing to AA's self

support. Group contributions to the services (Integroup, GSO, NC/Bermuda Area, District 80) in this district did increase substantially, but the number of groups contributing did not. Has your group conscience been informed of this?

As your trusted servant I hope I to be able to serve all the groups, but I need your help. A chain is only as strong as its links and your GSR is a very important link in the AA chain. Will your group help forge an unbroken AA chain? Next GSR's Meeting - March 13 - 3 pm Jackson County Public Library, Sylva.

Bob R, DCM, District 80
