## N.C. Mtn. Central Office Meeting Set for Sunday, July 24

The next quarterly meeting of the N.C. Mountain Central Office is set for Sunday, July 24 at the Hendersonville Group meeting room, 123 Main Street, Hendersonville (entrance at rear). The meeting begins at 2 p.m.

It is hoped that Group Representatives or Alternates will make a particular effort to attend this important meeting. It is emphasized that all Groups in Districts 70, 71, and 80 constitute the area covered by our Central office, and input from all Groups is necessary for full coordination and cooperation in Central Office affairs.

Among the items on the agenda at the July meeting will be the election of new Central Office officers.

#### Twelfth Step Strategy

I used to think that twelfth-stepping meant sponsorship and nothing else. And that's something I could never do, primarily because I knew I wouldn't have all the answers

Then I began to think that being at the podium in a speaker meeting was also a form of twelfth stepping.

And it is.

But today I know that there are many forms of doing twelve-step work that don't get that same "big time" exposure and yet carry the message in accordance with the twelfth step suggestion of trying to "practice these principles in all our affairs."

I think what helped me most in finding a balanced view of twelfth-stepping was reading page 199 of Bill W.'s Language of the Heart. Dr. Silkworth, often referred to as the father of alcoholism treatment, and whose findings were adopted by the American Medical Association in 1956, confronted Bill, whom he was treating for alcoholism. Wrote Bill: "Finally, one day, Dr. Silkworth took me back down to my right size. Said he: 'Bill, why don't you quit talking about that bright light experience of yours; it sounds too crazy. . . If I were you I'd go after them (alcoholics) on the medical basis first. While it has never done any good for me to tell them how fatal their malady is, it might be a very different story if you, a formerly hopeless alcoholic, gave them the bad news. . . Give them the medical business first, and give it to them hard. This might soften them up so they will accept the principles that will really get them well'."

And in my opinion the best way to achieve that is to encourage them strongly to read the Big Book — certainly the first 103 pages. If we can help another alcoholic

get through those 103 pages, we have truly carried out the "suggestions" of the Twelfth Step. - W.F.

Anonymity in Perspective

I think a lot of us in A.A. are confused as to where Anonymity really fits into our Fellowship. We tend to try to keep A.A. as a hidden, not-to-be-talked-about entity. But the truth is, A.A. should be given much greater publicity if it is to draw into its net of recovery those countless souls who are indeed alcoholic and yet don't know what to do about it.

In Twelve Concepts for World Service Bill W. says, "We need to be on still better terms with medicine, religion, employers, governments, courts, prisons, mental hospitals, and all enterprises in the alcoholism field. We need the increasing goodwill of editors, writers, television, and radio channels. These publicity outlets need to be opened ever wider."

And that is so true. Anonymity in A.A. is meant (in my opinion) to apply to us as persons. We can choose to maintain our own anonymity and no one should break that anonymity. But as for the program, it should be publicized widely to the media and other channels so that it can be better understood and so that the stigma that still attaches to alcoholism can be wiped out and the truth that it is a disease be understood so that practical action can be taken.

The Eleventh Tradition is, I believe, often

Use Mountain Doin's as a Tool in Recovery

Mountain Doin's is designed as one of the tools that can be used in your recovery. And that means that your own input through letters to the editor, articles, and opinions, can be considered as twelfth-step work and may certainly help many alcoholics who are still suffering.

Central Office information that brings news of events throughout Western North Carolina and conferences, seminars, and other A.A. activities around the nation are listed, as well as news of group meeting changes within our own Districts covered by the N.C. Mountain Central Office – Districts 70, 71, and 80.

It's good to share anniversaries, just as it's good to share humor and ideas that could help us all.

Sharing is indeed the cornerstone of recovery, and what better way is there to share among us all so that our thoughts can be expressed beyond the meeting rooms?

It is also important that you know where the money comes from and where it goes. That's why the Treasurer's Report is included each month.

We hope you will look upon Mountain Doin's as your newsletter. Every group receives three free copies, and more and more groups are subscribing for extra copies so that more of their members can participate in sharing through the newsletter. Lots of groups place their copies of Mountain Doin's on a table and invite members to pick up a copy and take it home with them. That way, as we say, it becomes a useful tool in our recovery. Try it—share through our letters column your thoughts, hopes, experiences. You could help lots of us simply by airing your thoughts.

## 1996 S.E. Regional Forum

As announced in the June issue of *Mountain*Doin's, the 1996 South East Regional Forum is to be held at the Raddisson Hotel, Asheville, on the first weekend in December, 1996.

For interested Readers, here is a description of Regional Forums and their objectives.

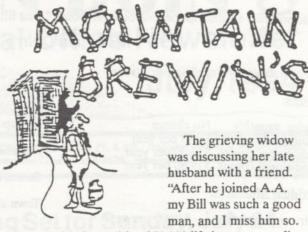

Regional Forums originated in 1975 through a good idea on the part of the late Chair of the Board Emeritus, Dr. Jack Norris. They are weekend sharing sessions designed to enhance and widen communication among service and potential service people, and representatives of the General Service Board Staff, and Grapevine Staff.

At the invitation of a region, four forums are held each year. Since our U.S./Canada structure is made up of eight regions, a Regional Forum is held every other year in a particular region, and on a rotating basis.

There is no registration fee for a Regional Forum. The General Service Board covers the expenses of hotel rooms and transportation and rooms for its board and staff personnel. Many Areas/Districts/ Groups cover or defray the transportation and hotel room expenses of the service people representing them at a forum.

The location and agenda for a forum are worked out jointly by the Regional Trustee, Area Delegates, and G.S.O. The responsibility for direct contact with the hotel, ahead of time, is assumed by a local A.A. host Contact working with the Regional Forum Coordinator and Regional Trustee. The Host Contact is the liaison person on the spot. The Regional Forum Coordinator at G.S.O. sends out registrations/invitations to the region and coordinates and follows through on all the details.

A Regional Forum is not a formal, decision-making body, thus no formal actions come about as a result of forums. Rather, forums provide a unique opportunity to share valuable experience, ask questions and spark new ideas.

He provided me with a \$50,000 life insurance policy. But I would gladly give a thousand of it back just to have him with me again."

Two old friends from the mountains came into town for a classy dinner, and reserved a motel room for the night. When they awoke in the morning, they both had heavy headaches, and were amazed when they looked in the mirror to find that they were both covered in bruises, and each had a black eye.

They returned to the bar where they had spent the previous evening. The bartender greeted them with a smile.

"Well, well!" he said. "I see you two fellows decided to make up!"

Q: What's the theme song for two drunks playing tennis?

A Endless Love.

The tourist was driving through North Carolina and stopped his car to ask a roadside alcoholic the way to Chimney Rock.

"Dunno," answered the alky.

"Well, which is the way to Black Mountain?"

"Dunno," answered the alky.

Said the tourist, "Don't you know anything?"

"Well," said the alky. "I ain't lost."

The alcoholic was brought up before the judge for purse stealing. "Now, tell me," said the judge, "Why did you steal that purse?"

"Your honor, I'd been drinking and I wasn't feeling well. I though the change would do me good."

Bartender: "Hey, Bert, it's only two o'clock. Why aren't you working?"

Bert: "The boss and I had a fight and he won't take back what he said."

Bartender: "What did he say?"

Bert: "You're fired!"
