## Self-Support: Where Money and Spirituality Mix

The A.A. groups themselves ought to be fully supported by the voluntary contributions of their own members. We think that each group should soon achieve this ideal; that any public solicitation of funds using the name of Alcoholics Anonymous is highly dangerous, whether by groups, clubs, hospitals, or other outside agencies; that acceptance of large gifts from any source, or of contributions carrying any obligation whatever, is unwise. Then, too, we view with much concern those A.A. treasuries which continue, beyond prudent reserves, to accumulate funds for no stated A.A. purpose. Experience has often warned us that nothing can so surely destroy our spiritual heritage as futile disputes over property, money, and authority. —Tradition Seven (long form)

### Fresh Topics, Totally Sober!

Central Office stocks a large selection of G.S.O. publications that are rarely seen at meetings. They contain inspiring, sober, and helpful information on all kinds of special topics of interest to A.A.s. Come on in and buy a couple—they're only a buck apiece!

# Trial Run Starts for 12-Stepping at Central Office

September 4 marks the first evening that the Central Office “A.A. Hotline” will be staffed by two sober alcoholics. These volunteers will take calls **at the Office** from 6:00–9:00 pm. An ad-hoc committee of Central Office Reps is looking for groups who want to help see that the hotline is answered directly by A.A.s—at least on a trial basis, for now.

During the July COR meeting, some folks volunteered to coordinate efforts

Office whenever the Office is closed (the manager switches the phone over to the service as she’s locking up). A paid (non-alcoholic) operator takes the caller’s information then starts calling A.A.s who are on our **Step 12 Call List**, to try to find someone who will talk with that caller. The service’s meter starts ticking when the operator answers the call and doesn’t stop until she finds **an A.A. willing to talk to that caller** (remember, NCMCO pays for this service—the operators are not A.A.s, their job is to connect hotline callers with A.A.s on the Step 12 Call List).

To keep things organized, we ask that groups consider **“sponsoring” one month’s worth of one week-night**. They can recruit two sober group members to man the phone in our “Back Office.” It’s a pleasant space, with plenty of room, A.A. literature, up-to-date meeting information (of course!), and a few handy guidelines. Would your group like to take on a month of September Mondays (or October Tuesdays, or November Wednesdays...)?

So far the following groups are interested or have committed to a night:

H’ville Group: Mondays

A’ville Big Book Step Study: Tuesdays

Big Town Group: Fridays

If your group is interested or would like more info, call the committee coordinator, Cathy B., at (828) 458-1529.

to set up a trial run, so that A.A.s can take evening calls right in the Office. This keeps the 12-stepper’s **phone number private**—a concern for many of our members.

For years, a paid answering service has been routing calls made to Central

# The District Express
