## Volunteer for 2015 International Convention!

### **2015 International Convention of Alcoholics Anonymous**

**July 2-5 • Atlanta, Georgia**

*The pre-registration period is still open until May 15, 2015!*

Register on Volunteer Hub at <http://aa80.volunteerhub.com/signin.aspx> and sign up for the Shuttle Bus committee and any others that you are interested in. Ask others to sign up. Sort of like a volunteer chain letter. You can send the info to anyone you know in AA who might want to get involved.

A big need is for announcing this stuff at every meeting you go to. The more people we can get to volunteer the better. For the shuttle bus committee that I am working on or for any of the others. The thing that interested me in the shuttle bus stuff is that you will get to interact with a ton of people from all over the world and really make a difference helping them find their way places.

Please let your friends know that they can volunteer no matter where they live. Let your out of town friends know that there are a lot of options for places to stay, including dorm rooms at GSU and Ga Tech for \$35-\$75 per night. All the info is available here: [http://www.aa.org/pages/en\\_US/2015-international-convention-of-alcoholics-anonymous](http://www.aa.org/pages/en_US/2015-international-convention-of-alcoholics-anonymous)

Hello All,

At non-public AA meetings/functions I always introduce myself using my full name – adding I'm a grateful recovered alcoholic, and (customary in the Boston area where I got sober) usually including the name of my home group.

I've been saying 'recovered' for a few years now – convinced that it's best for me to do so -- after reading the attached along with the info at the links below, AND following the good example of an inspirational long-timer, in my former home group, Wayne A. (AKA 'Wheelchair Wayne') who passed on Jan 24, 2015)

Helen

*“RecoverED does not mean that our physical allergy to alcohol has disappeared. We are and always will be alcoholic. We will forever be powerless over the second drink. It simply means that “as long as we keep in fit spiritual condition” we will “react sanely and normally” and “We [will] feel as though we had been placed in a position of neutrality - safe and protected.” RecoverED does not mean we have been cured. RecoverED means that we have been given a gift. We have been given a “daily reprieve contingent on the maintenance of our spiritual condition.” This is very, very good news....”*

### “Recovered” Big Book Passages

Title Page: — The Story of How Many Thousands of Men and Women Have Recovered from alcoholism

XIII: line 4 — To show other alcoholics precisely how we have recovered is the main purpose of this book.

XV: line 12 — In that brief space.....membership is far above 150,000 recovered alcoholics.

XXIII: line 22 — This man and over one hundred others appear to have recovered.

17: line 3 — Nearly all have recovered. They have solved the drink problem.

20: line 6 — ...we have recovered from a hopeless condition of mind and body.

29: line 3 — Further on, clear cut directions are given showing how we recovered.

44: line 25 — If a mere code of morals...were sufficient... many of us would have recovered long ago.

90: line 23 — If he says yes....drawn to you as a person who has recovered.

113: line 8 — ...thousands of men...have recovered.

132: line 30 — We have recovered, and have been given the power to help others.

133: line 14 — We, who have recovered ... are miracles of mental health.
