## This Beautiful Truth

by Anonymous - Cleveland, MO

*A member raised in the Muslim faith shares her eye-opening journey with the Second and Third Steps*

I came to AA because my husband threatened to divorce me if I didn't. I had a serious drinking problem and I believed that doctors and therapists or members of any science-based discipline should have the answer to my problem—not AA. I had many pre-conceived ideas and prejudices against AA, the primary one being that it was some kind of Christian cult.

I am a Muslim. I grew up in a very strict Islamic state that is governed by Islamic doctrine and antiquated regulations. I believe in the teachings of my noble religion, but like most people who claim to be religious, I talked the talk but never really listened to the message.

When I started traveling and living around the world with my husband, I enjoyed the freedoms I was offered and went too far with unnecessary rebellion, namely alcohol abuse.

I attended my first AA meeting in Europe. It was an eye and heart-opening experience for me. Walking up the steps of the community center, following the AA sign, was quite a humbling and scary feeling. I was welcomed by a sweet meeting leader, and I immediately volunteered that it was my first time and I was clueless as to what I needed to do. She said, "You don't have to do anything, just share your story with us and feel very grateful that you decided to come today because you're in the right place."

The room started filling up with an interesting variety of people. Some were pretty "jazzy-looking" characters, others were well-dressed businessmen and women, still others were people who looked like me. I was surprised to see such a varied collection of individuals. They looked quite joyful and relaxed. I remember thinking, I want to be happy like them.

I read the Big Book and the "Twelve and Twelve" and listened to everything I could find on the internet about AA teachings. It was all very helpful, except for the Second and Third Steps. I believed in God but couldn't accept that if I just prayed earnestly, he would take away my problem. I had begged God to help me stop drinking for 10 years and it didn't work.

I argued a lot with my first sponsor about how simple and childish it seemed to me to say that if I just surrendered my will to God, he would relieve me of my alcoholism. I just couldn't accept that it could be that simple. I asked her, "What would make me not take that first drink on an airplane where nobody knew me, and I wasn't answerable to anybody?"

"You have to be prepared for that situation and pray, and talk to someone before boarding that flight," she answered. I always felt that was impossible. My mind told me that no prayer or person could stop me from taking that first drink. It had to come from within, I told her. "Well, that's not AA, and I can't sponsor you if you refuse to follow the Steps," she said. That was the beginning of the end of our sponsor/sponsee relationship, although we are still good friends.

My current sponsor, who in my eyes is a kind of Superman, has a mature and worldly knowledge of the AA principles. He heard my arguments about finding my Higher Power and pointed me to the Big Book. In the chapter "We Agnostics" Bill, our cofounder, writes: "Sometimes we had to search fearlessly but he was there. He was as much a fact as we were. We found the Great Reality deep down

## After-hours Phone Volunteers Needed

Central Office is looking for volunteers to answer the phone from 1:30pm in the afternoon until 9:30am the next morning. Most nights don't see more than a call or two, rarely after 10 or 11pm. Most callers are interested in meeting information so volunteers should have the internet at hand to access the meeting guide. One year of sobriety is required.

Information can be found at:

<https://aancmco.org/index.php/about-ncmco/service/>  
(scroll down to "After-hours Phone Volunteer")

Or call Central Office at 828-254-8539.

## Adopt-A-Doc Project

The CPC/PI Ad-hoc Committee of Central Office is making Adopt-A-Doc materials available to A.A. members to take to their physicians. This is a project in which A.A. packets of information are prepared and distributed by A.A. members in local communities to healthcare providers. Each packet contains a letter to the doctor detailing ways in which we can cooperate in serving the "sick and suffering" alcoholic. Also included are several pamphlets on A.A. recovery, newcomer information, and local A.A. meeting schedules. These packets are distributed to local groups which are encouraged to share them with their doctors or healthcare providers.

If you are interested in obtaining one of these packets, contact your District's CPC/PI Chairperson through the District website:

## The Beautiful Truth *(continued from page 1)*

within us. In the last analysis it is only there that he may be found."

My sponsor also asked me to read the "Spiritual Experience" section in the back section of the Big Book. There's a line that says, "... our members find that they have tapped an unsuspected inner resource which they presently identify with their own conception of a power greater than themselves." These passages gave me all the validation I needed and all the strength I needed to surrender completely to the program. It's been one year since my last drink and I'm proud to say that I'm a very grateful member of AA.

Nobody from AA ever tried to persuade me to consider their religious beliefs or undermined my own. What my family and culture and schools failed to teach me was that if I look inside, deep within, my spirit is always trying to direct me to a simple, pure and honorable life. A life based on truth, humility and willingness, not delusions, false pride and resentments. I've learned to listen to that soft voice and believe that I deserve unconditional love.

My only responsibility in this wonderful life I've been gifted is to live it with joy—joy for my inner spirit and for the many loving spirits around me. AA taught me this lesson and gave me some clear, awesome Steps to follow in order to reach this beautiful truth.

## The Birthday Plan

For many years, A.A. members have celebrated their sobriety by sending a contribution to the General Service Office. Your birthday (or anniversary) money helps to support G.S.O.'s services to members and groups throughout Canada and the U.S., to ensure that the A.A. message is carried around the world. The services that G.S.O. provides the A.A. groups cost more than \$6 per member per year. Members customarily contribute \$1, \$2 or even \$5 a year for each year of sobriety—others may give a penny or a nickel a day for each day of their sobriety. You may request these Birthday Contribution Envelopes (FR-5) from G.S.O., for yourself or for your group, at no charge.

*(Reprinted from Box 4-5-9 Vol. 62, No.1 / Spring 2016)*

Birthday Contribution Envelopes from G.S.O. are available for free at Central Office.

### We also have envelopes for sending Birthday Contributions to the Central Office!

Stop by the Office to pick up envelopes for yourself or your group members. Or call us (828-254-8539) and we will mail envelopes to you. We thank all the A.A. members and groups who donate so generously!

Need to update your Group's anniversary list? Call Central Office - 828-254-8539 or send a new list to: [info@ncmco.net](mailto:info@ncmco.net)

The February newsletter deadline for sending in anniversaries and announcements is January 15.

## IWC MISSION STATEMENT

The International Women's Conference is the bridge to a better understanding of the Alcoholics Anonymous philosophy and way of life because of our special needs in sobriety as women. We as women members of Alcoholics Anonymous are survivors. We have found a way to obtain meaning, depth, and responsibility in our lives. This came about out of desire, decision, determination, and spiritual guidance. An elevated sense of belonging that is brought about by the special services and a special need provided by our Women's Conference is our goal.

### SELF-SUPPORTING

This conference is self-supporting through the money paid by registration fees, banquet tickets, and contributions. No AA funds are used to pay for this event. Conferences are special events and require money, as well as months of planning and preparation. Expenses include contracted costs for the use of meeting rooms, preparation of food and beverages, printing for registration forms, flyers, program schedules, postage, supplies and many other costs. The registration fee and banquet fees are kept as low as possible to meet our financial goal of breaking even. Our contractual commitments to the hotel require a guaranteed number of hotel rooms and banquet sales. Thank you for your support and your help in achieving our financial commitments.
